## SENTIENCE – FACT SHEET

### About

Earth has become automated. Humanity is gone, but the AI lingers. In Sentience, you must become the hunter or the hunted in this multiplayer stealth free-to-play title in a sci-fi cyberpunk dystopian Earth. Take on the role of a Sentinel to quell resistance or become a newly-sentient Rogue to complete tasks and take down the system.

### Features

- **Play as either Sentinel (hunters) or Rogue (hunted) in this stealth multiplayer challenge:** Each with unique abilities and playstyles.
- **Multiplayer round-based cooperative gameplay:** Compete with other players online, or offline against the AI.
- **Social features:** Players can easily connect with friends.
- **Free-to-play:** With upgradeable cosmetic features
